MEMORANDUM FOR: [REDACTED]

Chairman, ADMAG

FROM

: John F. Blake
Deputy Director for Administration

SUBJECT

: Employee Pride in Agency Accomplishments

1. I do appreciate your expressing concern about criticism and unfavorable commentaries directed at the Agency and your proposal that displays or noteworthy accomplishments by the Agency be exhibited.

2. Your suggestion ties in with current considerations by the Director to establish an Agency museum or, if not a museum, in some way to exhibit appropriate Agency programs to which families could be invited. I shall certainly make available to the Committee the thoughts which you provide in your memo.

3. As you may be aware, I held a conference with the DDA Office Directors this past weekend. There is, indeed, support for your recommendation for a Family Visitation Day. We plan to have such a day in May of this year.

4. Your interest in these matters is appreciated.
